

The background is a solid green color with a repeating pattern of white, semi-transparent educational icons. These icons include a camera, a person silhouette, a hand, a paper airplane, a lightbulb, an apple, a checkmark in a box, a bell, and a document with an equals sign. Some icons also contain smaller text like 'a b c d' or 'b d'.

What is Classkick?

Classkick is a platform where students do their work-and get help right when they need it.

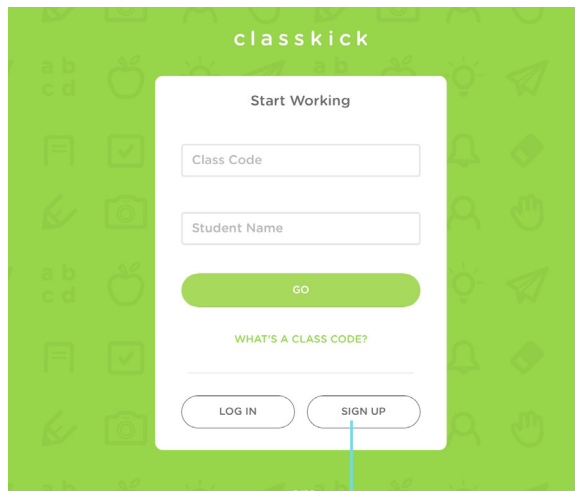

Key Benefits

- Teachers create, assign and grade paperless assignments.
- Students work at their own pace and receive help immediately from their teacher and other students.
- Students can privately raise a hand to request help.
- Students can collaborate with each other.

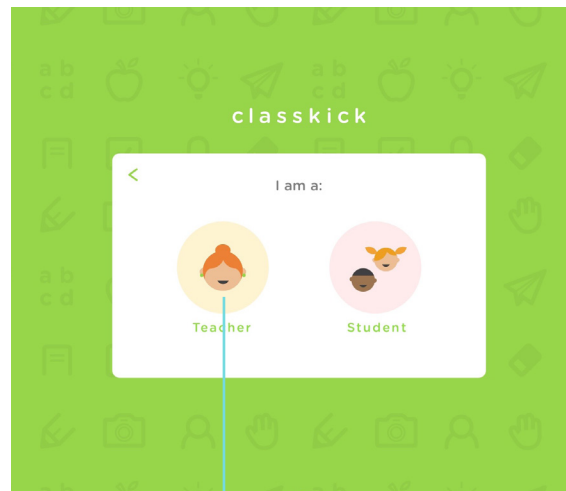

Create New Teacher Account and Log In

Create a free teacher account to save assignments and all student work. Students don't need to create an account to use the app.

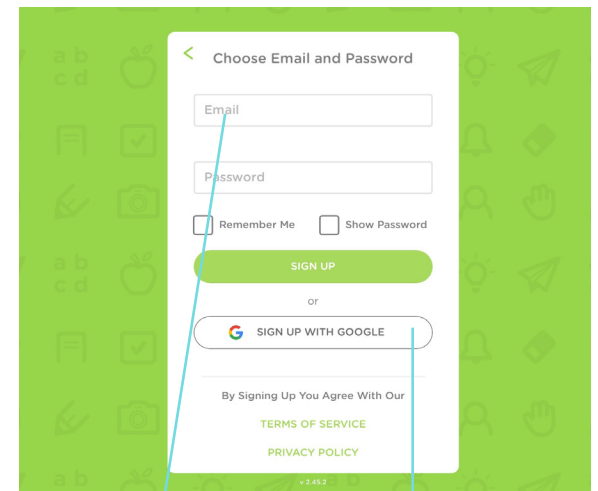

Sign Up for a New Teacher Account

Teachers start by tapping here

Choose Teacher

Sign up with your email or Google

Teacher Dashboard

Getting Started

(a) Assignments

View, sort, and edit

(b) Rosters

Create and lock rosters

(c) Notifications

Sharing announcements

(d) Profile

Update email and password

(e) Help

Message us or watch tutorial videos

(f) Sign-Out

(g) Sort Options

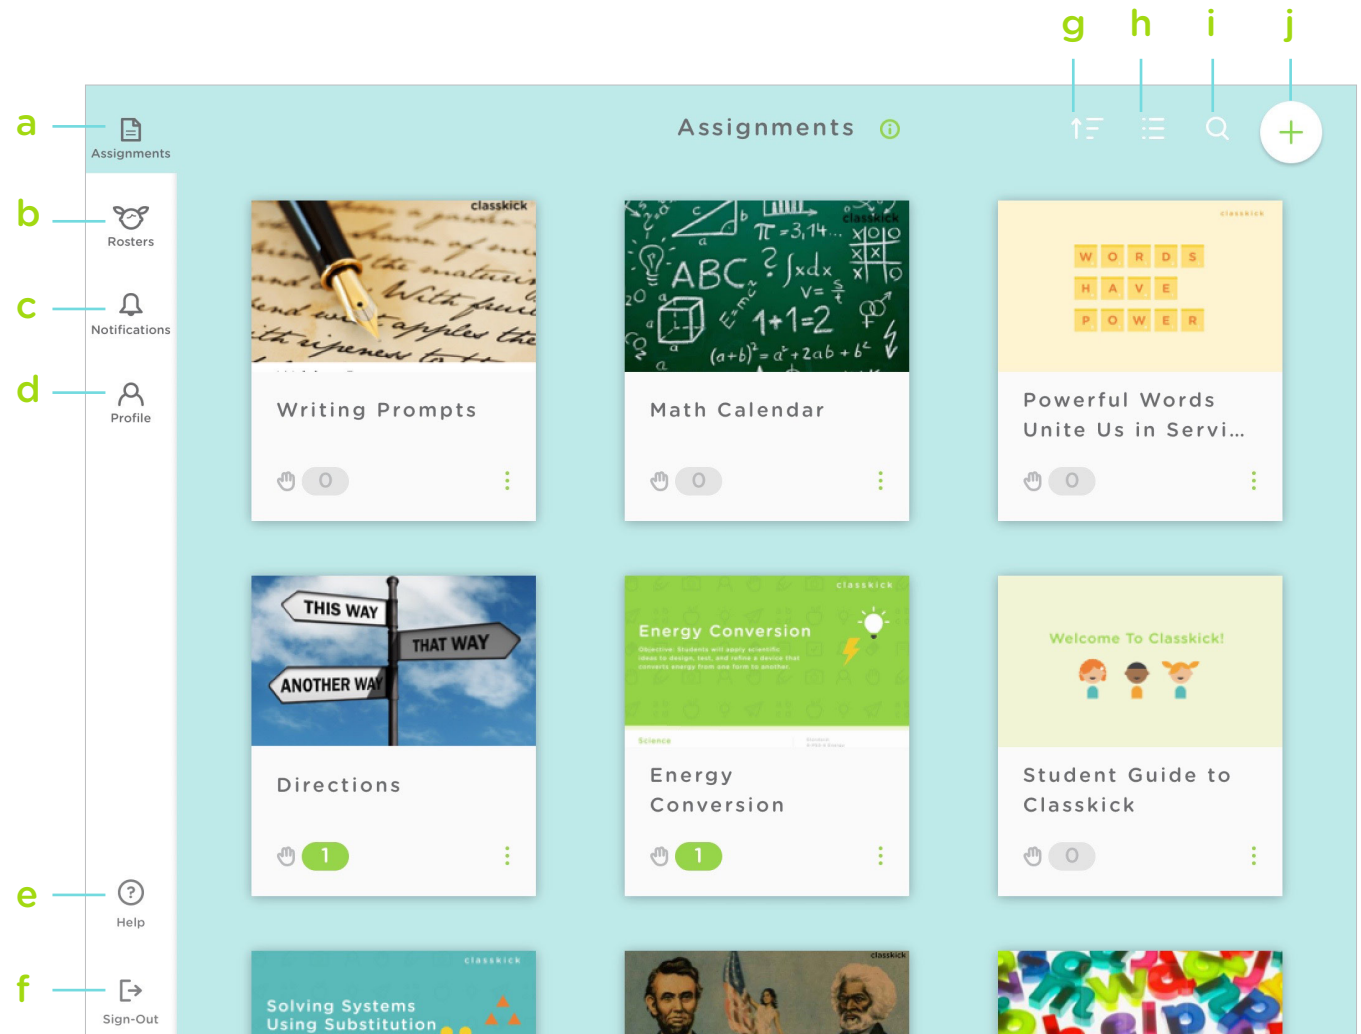

(h) List/Grid View

Flip between seeing thumbnails and titles

(i) Search

(j) New Assignment

Create a new blank assignment or upload from PDF

Managing Assignments

Rename

Tap to change the Assignment title

Share

Tap to share the assignment with colleagues

Assign

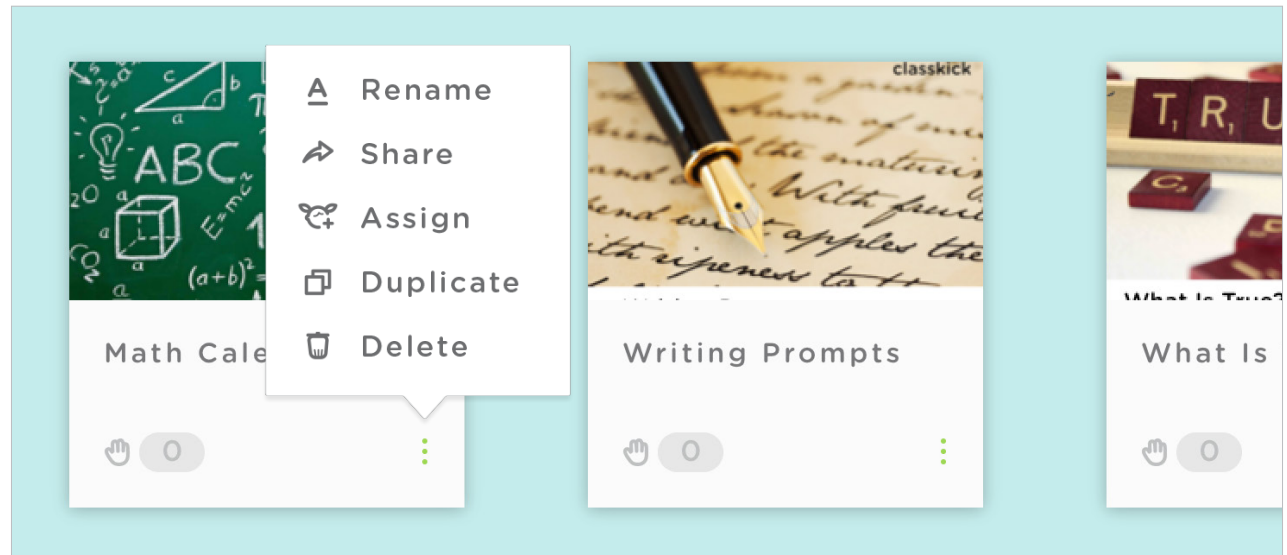

Tap to assign this assignment to a roster and get a class code

Duplicate

Tap to create an additional copy of assignment to differentiate

Delete

Tap to eliminate assignment.
(All student work will also be deleted.)

The Assignments list, where you can add new, delete, sort existing by a range of methods, and scroll through your entire list.

Managing Rosters

Create a New Roster

1. Tap 
2. Type in "Unnamed Roster" field to title
3. Change Roster Color
4. Tap 

Add Student

When students log in with a class code, they are automatically added to your roster. You can also manually add students:

1. Tap "+ ADD STUDENT"
2. Type in "Student name" field
3. Tap "ADD"

Edit Roster

1. Tap roster
2. Tap student's name
3. Edit
4. Tap "return"

Delete Student

1. Tap trash can next to student's name
2. Tap "Delete"
3. Tap "Close" to exit

The Rosters list, where you can add new, edit, delete, and scroll through your entire list.

Delete Roster

Tap “Delete”

(All student work associated with this roster will also be deleted)

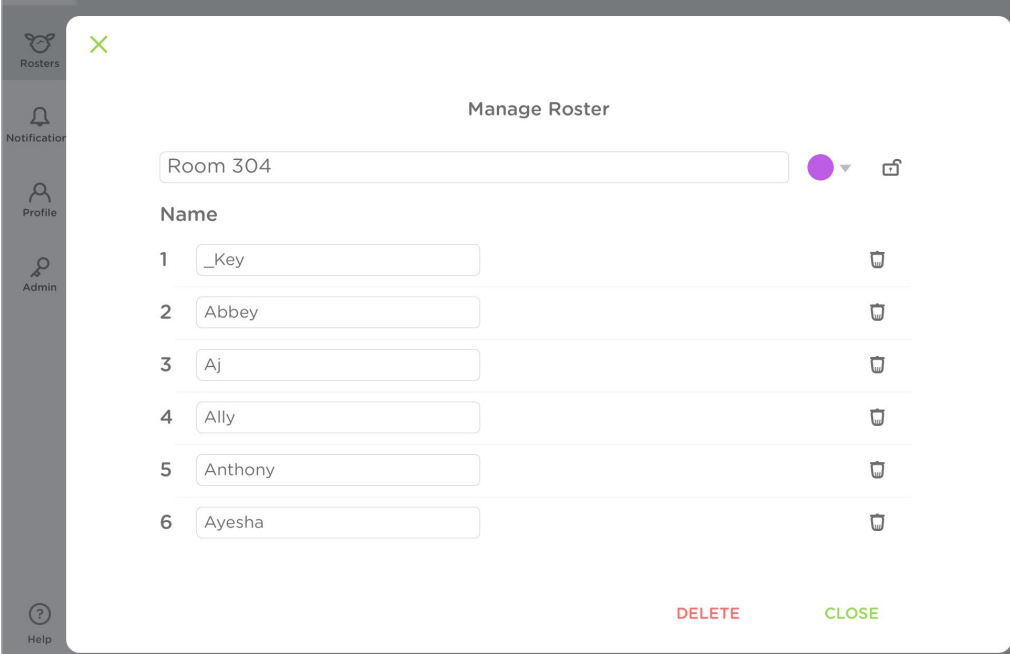

Control Student Log In

1. Select any Roster to manage student login.

2. Tap 

3. Choose from the following controls.

- Lock Roster - Prevent New Student from Joining
- Single iPad Login - Prevent students signing into multiple devices with the same name.

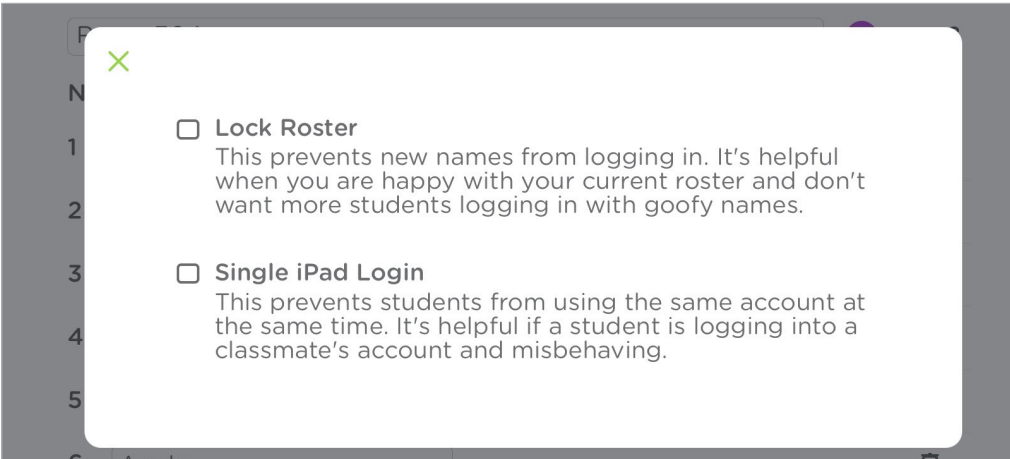

Manage Roster

Room 304

Name

1	<input type="text" value="_Key"/>	
2	<input type="text" value="Abbey"/>	
3	<input type="text" value="Aj"/>	
4	<input type="text" value="Ally"/>	
5	<input type="text" value="Anthony"/>	
6	<input type="text" value="Ayesha"/>	

DELETE CLOSE

☐ Lock Roster
This prevents new names from logging in. It's helpful when you are happy with your current roster and don't want more students logging in with goofy names.

☐ Single iPad Login
This prevents students from using the same account at the same time. It's helpful if a student is logging into a classmate's account and misbehaving.

Managing Questions

Add Blank Question

Tap 

Delete Question

1. Press 
2. Tap "Delete"

Copy Question

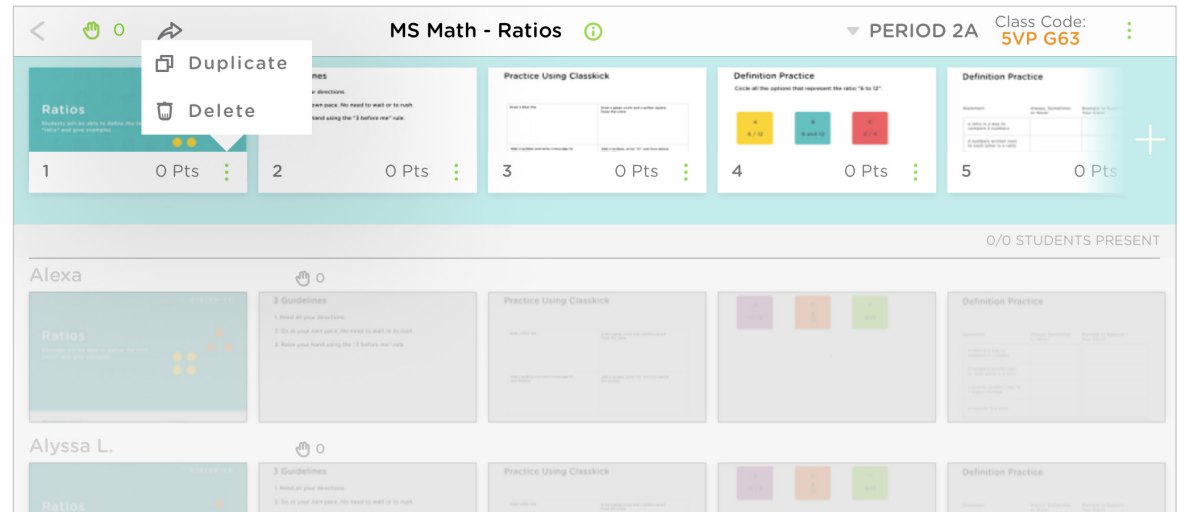

1. Press 
2. Tap "Duplicate"

Rearrange Questions

1. Press and hold until question lifts off page
2. Drag question to desired location

Edit a Question

1. Tap question
2. See [Prepping Questions](#)

Question Sheets after a long press

Prepping Questions

Creating/Editing Questions

(a) Back

Tap to return to whole class view

(k) Scroll Bar

(l) Trash Can

Drag content to the trash can to delete

(m) Navigate Questions

Tap the arrow to advance through the questions

Write with Pen

Tap  and pick a color

Erase Pen Marks

1. Tap  & drag finger over line(s) to erase
2. Tap eraser twice and tap “Clear All” to remove all drawn lines

Text Boxes

Add Text Box

1. Tap **abc**
2. Begin typing

Change Font Size

Tap  ,  to make text bigger or smaller

Change Font Color

Tap     color to change

Resize Text Box

1. Tap  , hold and drag
2. Release when text box reaches desired shape

Edit the Text Box

1. Tap text box to edit
2. Continue typing or edit text as needed
3. Tap white space or keyboard down button

Delete Text Box

1. Tap and hold text box with one finger
2. Drag text box to the  on right side and release

Add Images

Add Image

Tap  & choose “Take Picture” or “Choose From Photos”

Crop Portion(s) of Image

1. Drag an area of the image from upper left to bottom right, repeat for all portions
2. Tap “Done” OR tap 

Use Whole Image

Tap “Done” to use the whole image

Move Image

Drag the image to desired location

Resize and Rotate Image

1. Use green image grabbers to shrink or expand image
2. With two fingers, twist fingers to rotate images

Delete Image

Drag image to  and release

Record Audio

Add Audio

1. Tap 
2. Tap “REC”

Stop Recording

Tap “Stop” and tap “Save”

Move Recording

Drag recording to desired location

Delete Recording

Drag recording to  and release

Link to Website or Video

Add Link

1. Tap 
2. Enter label
3. Paste or type URL
 - YouTube and Vimeo links will play video inside question
 - Other links will open in default browser
4. Tap checkmark

Move Link

Drag link to desired location

Delete Link

Drag link to  and release

Delete any Content

Trash can  will appear on right side when any object is dragged

Navigate Worksheets

Tap arrows on bottom of question

Scroll the Page

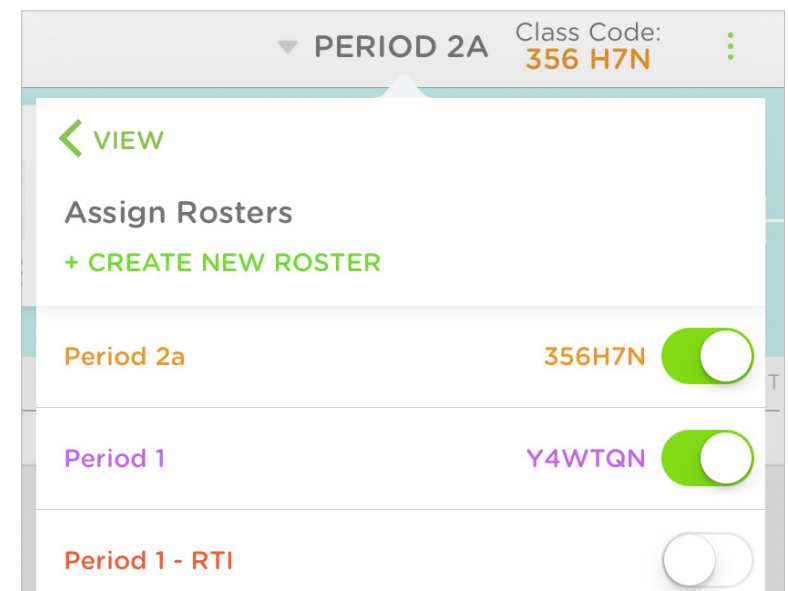

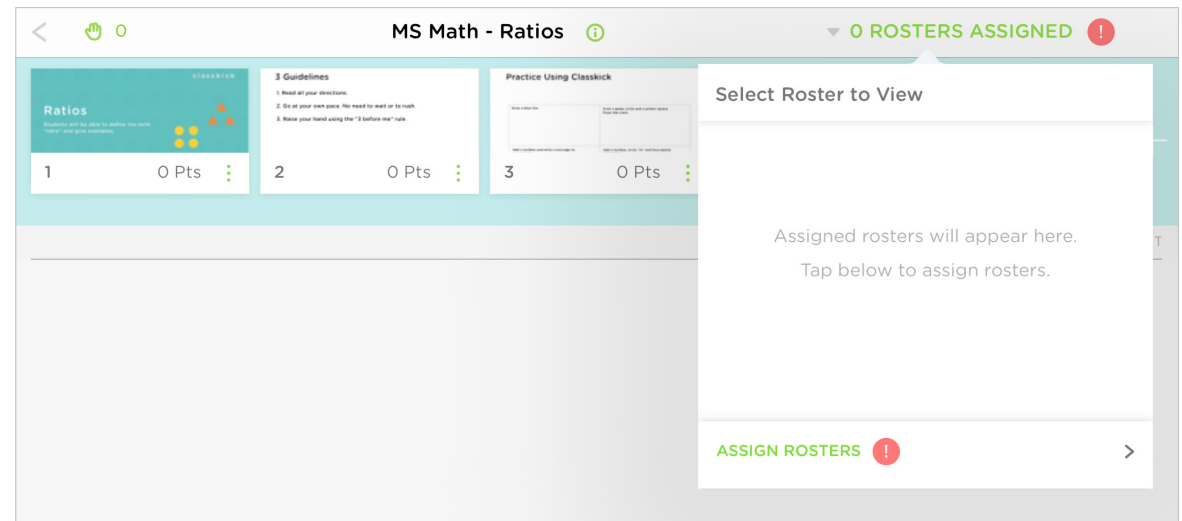

Tap  or scroll bar on right hand side, and drag up or down

Assigning Work to Students

Assign Roster

Students are automatically added to a roster when they login using the Class Code. Tap "Assign Rosters" to generate a class code.

Share the class code by writing it on the board, displaying it on a projector, adding it to a website or LMS, printing it on a worksheet, or saying it aloud.

Viewing Student Work

Whole Class View

(a) Help Inbox

Jump to all raised hands

(b) Share/Export

Current question student is on

(j) Yellow Hand

Student needs help

(k) Green Hand

Student wants work checked

The screenshot displays the 'MS Math - Ratios' interface. At the top, there are navigation icons: a back arrow, a hand icon with the number '2', and a share/export icon. The title 'MS Math - Ratios' is centered, followed by a class code 'ROOM 304' and 'Class Code: M6L 28E'. Below the title, there are five question cards labeled 1 through 5. Card 1 is titled 'Ratios' and shows a grid of colored squares. Card 2 is titled '3 Guidelines' and lists three instructions. Card 3 is titled 'Practice Using Classkick' and shows a drawing of a square. Card 4 is titled 'Definition Practice' and shows a grid of colored squares. Card 5 is titled 'Definition Practice' and shows a grid of colored squares. Below the question cards, there is a section for student work. It shows a grid of student work cards for students: _Key, Abbey, Aj, and Ally. Each student card shows their name, points, and a hand icon. The student work cards are organized into four columns: Ratios, 3 Guidelines, Practice Using Classkick, and Definition Practice. The student work cards show various student responses, including drawings, text, and grids of colored squares. The interface also includes a 'Key' section at the bottom left, which shows the correct answers for the questions. The top right corner shows the class code and a 'Last Online' timestamp.

Help Inbox

Open/Close the Help Inbox

Tap on any student to jump to their work

Allow students to help each other

The screenshot displays the Classkick Teacher Guide interface for a session titled "MS Math - Ratios". The interface includes a top navigation bar with a back arrow, a hand icon with the number 2, and a share icon. The session title "MS Math - Ratios" is centered, and the room information "ROOM 304" and "Class Code: M6L 28E" is on the right.

A "Your Students Need Help!" sidebar is open on the left, featuring three sections:

- Please Help** (1 student): Lists "Abbey on #4." with a right arrow.
- Please Check** (1 student): Lists "Aj on #5." with a right arrow.
- Allow Students to help each other?** (checked checkbox).

The main workspace shows a grid of student work. The top row displays three student cards:

- Abbey**: 0/16 Pts, 1 hand icon. Shows a "Ratios" card with a hand icon and a "Practice Using Classkick" card with a red "0" score.
- Aj**: 11/16 Pts, 1 hand icon. Shows a "Ratios" card with a hand icon and a "Practice Using Classkick" card with a green "4" score.
- Ally**: 0/16 Pts, 0 hand icon. Shows a "Ratios" card with a hand icon and a "Practice Using Classkick" card with a green "4" score.

The bottom row shows more student work, including a "Definition Practice" card with a green "5" score and a "Practice Using Classkick" card with a green "4" score. The interface also includes a "Last Online" status for each student and a "0/0 Students Present" indicator at the bottom right.

Giving Feedback and Points

Add and Edit Score

Tap to add a point, to remove a point

Add and Edit Stickers

1. Tap to open Sticker menu
2. Tap to add a new Sticker
3. Tap to edit Sticker

Give Sticker

Tap sticker to give to student

Move or Delete Sticker

Tap, drag sticker to desired location;
drag into trashcan to delete

Remove Sticker from Menu

Tap and tap "Delete"

The screenshot shows the Classkick interface for a student named Aj. The top bar is yellow and says "You are helping Aj on question 4". Below the bar is a toolbar with icons for navigation, erasing, drawing, and text. The main area is titled "Definition Practice" and contains the question: "Circle all the options that represent the ratio '6 to 12'". There are five options, each in a colored box: A (yellow, 6 / 12), B (teal, 6 and 12), C (red, 2 / 4), D (purple, 12 / 6), and E (orange, 6 / 12). A blue hand-drawn circle is around option A. On the right side, a sticker menu is open, showing a list of stickers with their point values. A blue hand-drawn line is around the sticker menu. The stickers are: "Please provide an example" (0 points), "Awesome ratio finding!" (+4 points), "Try using classroom resources t..." (0 points), and "Great example of following dire..." (+1 point). At the bottom of the screen, there is a navigation bar with a back arrow, "4 of 12", and a forward arrow.
